Harrisburg, Pennsylvania (September 19, 2018) – On Monday morning, September 17, 2018, fifty of Central Pennsylvania’s fastest growing companies were recognized for achieving significant growth in revenue over the past three years. The rankings were revealed and Centric Bank was recognized as the 7th fastest growing company in the *Central Penn Business Journal’s* 22nd annual list of the *Top 50 Fastest Growing Companies* in Central Pennsylvania for 2018. This is the sixth time that Centric Bank has achieved this recognition. The bank was ranked #18 in 2017.

“With a continued focus on small business lending in Pennsylvania, Centric Bank proudly remains a leader and continues to shatter expectations with record-breaking growth and one of the finest teams in the banking industry,” says Patricia A. Our employees take great pride in helping small business owners’ dreams and visions come to fruition and they live our tagline, *We Revolve Around You* every day for our customers.”

In order to be eligible for consideration, companies were required to show revenue of at least \$500,000 in each of the fiscal years ending 2015, 2016 and 2017, as well as revenue growth in 2017, as compared to 2015. For-profit entities headquartered in Adams, Cumberland, Dauphin, Franklin, Lancaster, Lebanon, Perry or York County were eligible for nomination.

The presenting sponsor of the program, Baker Tilly, calculated the nominations and then ranked the companies according to revenue growth over the three-year period. Both dollar and percentage increases were taken into consideration. This ranking formula led to the list of 50 winners.
